Central Campus & Central Academy courses

Additional courses are available at Central Campus and Central Academy. These courses are held IN PERSON. You can review these courses on pages 42-66 of the Course Handbook. If you are interested in these courses, please take note of which courses you want to apply for below. You will complete your application for Central Campus or Central Academy with your school counselor during your MYAP meeting.

Alternates

Please list below 4-6 alternate courses from any subject areas. These should be courses you haven't already taken. Please note that these courses will be added to your courses plan as alternates and will be added to your schedule if there is a conflict that prevents you from taking your preferred classes.
