

23-24 Central Campus Courses Requestable by Grade Level

9	10	11	12
Accounting	Accounting	Accounting	Accounting
Broadcasting & Film (Year 1)	Animal Science & Plant Science (Year 1)	Animal Science & Plant Science (Year 1)	Animal Science & Plant Science (Year 1)
Career Opportunities in Education	Aquarium Science	Animal Science/Vet Careers (Year 2/3)	Animal Science/Vet Careers (Year 2/3)
Commercial Photography (Year 1) 9th Grade if only taken with Graphic Design	Aviation Maintenance I (Year 2)	Aquarium Science	Aquarium Science
Content Marketing	Broadcasting & Film (Year 1)	Auto Collision Repair (Year 1)	Auto Collision Repair (Year 1)
E-Commerce & Entrepreneurship	Broadcasting & Film (Year 2)	Auto Technology (Year 1)	Auto Collision Repair (Year 2)
Graphic Design (Year 1) 9th Grade if only taken with Photo <i>(formerly Graphic Communications)</i>	CAD: Computer Aided Design	Aviation Maintenance I (Year 2)	Auto Technology (Year 1)
Hospitality & Tourism (Year 1)	Career Opportunities in Education	Aviation Maintenance II (Year 3)	Auto Technology (Year 2)
Intro to Architectural CAD <i>(formerly Intro to CAD: Arch/Const 3D Arch Design)</i>	Career Opportunities in Health (COH)	Broadcasting & Film (Year 1)	Aviation Maintenance I (Year 2)
Intro to Aviation (Year 1)	Carpentry (Year 1)	Broadcasting & Film (Year 2)	Aviation Maintenance II (Year 3)
Intro to Construction <i>(formerly Survey of Skilled Trades)</i>	Civil Engineering/Architecture	Broadcasting & Film (Year 3)	Aviation Maintenance III (Year 4)
Intro to Engineering CAD <i>(formerly Intro to CAD: Manuf/Eng or 3D Mech Dsgn)</i>	Commercial Photography (Year 1)	CAD: Computer Aided Design	Broadcasting & Film (Year 1)
Intro to Engineering Design	Commercial Photography (Year 2)	Career Opportunities in Health (COH)	Broadcasting & Film (Year 2)
Intro to Robotics & Electronics <i>(formerly Intro to Robotics)</i>	Computer Integrated Manufacturing	Carpentry (Year 1)	Broadcasting & Film (Year 3)
Investment & Real Estate	Content Marketing	Carpentry (Year 2)	CAD: Computer Aided Design
JROTC Marines	Culinary Arts (Year 1)	Civil Engineering/Architecture	Career Opportunities in Health (COH)
Methods of Physical Education	Digital Electronics	Commercial Photography (Year 1)	Carpentry (Year 1)
Small Business Start Up	Dream to Teach (Year 1)	Commercial Photography (Year 2)	Carpentry (Year 2)
Social Media Marketing	E-Commerce & Entrepreneurship	Computer Integrated Manufacturing	Civil Engineering/Architecture
	Electrical Construction (Year 1) <i>(formerly Electricity Year 1)</i>	Content Marketing	Commercial Photography (Year 1)
	Graphic Design (Year 1) <i>(formerly Graphic Communications)</i>	Criminal Justice	Commercial Photography (Year 2)
	Graphic Design (Year 2) <i>(formerly Graphic Communications)</i>	Culinary Arts (Year 1)	Computer Integrated Manufacturing

	Hospitality & Tourism (Year 1)	Culinary Arts (Year 2)	Content Marketing
	Hospitality & Tourism (Year 2)	Digital Electronics	Criminal Justice
	Information Systems: Computer Programming <i>(formerly Software/Game Design)</i>	Dream to Teach (Year 1)	Culinary Arts (Year 1)
	Information Technology (Year 1) <i>(formerly Cybersecurity)</i>	Dream to Teach (Year 2)	Culinary Arts (Year 2)
	Intro to Architectural CAD <i>(formerly Intro to CAD: Arch/Const 3D Arch Design)</i>	Early Childhood Careers (Year 1)	Culinary Arts (Year 3)
	Intro to Automotive	E-Commerce & Entrepreneurship	Digital Electronics
	Intro to Aviation (Year 1)	Electrical Construction (Year 1) <i>(formerly Electricity Year 1)</i>	Dream to Teach (Year 1)
	Intro to Construction <i>(formerly Survey of Skilled Trades)</i>	Electrical Construction (Year 2) <i>(formerly Electricity Year 2)</i>	Dream to Teach (Year 2)
	Intro to Engineering CAD <i>(formerly Intro to CAD: Manuf/Eng or 3D Mech Dsgn)</i>	Emergency Medical Technician (EMT)	Early Childhood Careers (Year 1)
	Intro to Engineering Design	Entrepreneurship in Agriscience (Year 2/3)	Early Childhood Careers (Year 2)
	Intro to Fashion & Garment Construction (Semester-long)	Fashion Design & Merchandising (Year 1)	E-Commerce & Entrepreneurship
	Intro to Robotics & Electronics <i>(formerly Intro to Robotics)</i>	Floral and Greenhouse Production (Year 2/3)	Electrical Construction (Year 1) <i>(formerly Electricity Year 1)</i>
	Investment & Real Estate	Global Animal Science (Year 2/3)	Electrical Construction (Year 2) <i>(formerly Electricity Year 2)</i>
	JROTC Marines	Graphic Design (Year 1) <i>(formerly Graphic Communications)</i>	Emergency Medical Technician (EMT)
	Marine Biology	Graphic Design (Year 2) <i>(formerly Graphic Communications)</i>	Engineering Capstone <i>(formerly PLTW Engineering Design/Development)</i>
	Methods of Physical Education	Graphic Design (Year 3) <i>(formerly Graphic Communications)</i>	Entrepreneurship in Agriscience (Year 2/3)
	Pilot Ground School (Year 2)	Hospitality & Tourism (Year 1)	Fashion Design & Merchandising (Year 1)
	Plumbing & Mechanical Systems (Year 1)	Hospitality & Tourism (Year 2)	Fashion Design & Merchandising (Year 2)
	Principles of Engineering	Information Systems: Computer Programming <i>(formerly Software/Game Design)</i>	Floral and Greenhouse Production (Year 2/3)

	Small Business Start Up	Information Technology (Year 1) <i>(formerly Cybersecurity)</i>	Global Animal Science (Year 2/3)
	Social Media Marketing	Information Technology (Year 2) <i>(formerly Cybersecurity)</i>	Graphic Design (Year 1) <i>(formerly Graphic Communications)</i>
	Sports Medicine: Medical Terminology	Intro to Architectural CAD <i>(formerly Intro to CAD: Arch/Const 3D Arch Design)</i>	Graphic Design (Year 2) <i>(formerly Graphic Communications)</i>
	Sports Medicine: Sports Physiology	Intro to Aviation (Year 1)	Hospitality & Tourism (Year 1)
	Sports Officiating Fall	Intro to Construction <i>(formerly Survey of Skilled Trades)</i>	Hospitality & Tourism (Year 2)
	Sports Officiating Spring	Intro to Engineering CAD <i>(formerly Intro to CAD: Manuf/Eng or 3D Mech Dsgn)</i>	Information Systems: Computer Programming <i>(formerly Software/Game Design)</i>
		Intro to Engineering Design	Information Technology (Year 1) <i>(formerly Cybersecurity)</i>
		Intro to Robotics & Electronics <i>(formerly Intro to Robotics)</i>	Information Technology (Year 2) <i>(formerly Cybersecurity)</i>
		Investment & Real Estate	Intro to Architectural CAD <i>(formerly Intro to CAD: Arch/Const 3D Arch Design)</i>
		JROTC Marines	Intro to Aviation (Year 1)
		Marine Biology	Intro to Construction <i>(formerly Survey of Skilled Trades)</i>
		Methods of Physical Education	Intro to Engineering CAD <i>(formerly Intro to CAD: Manuf/Eng or 3D Mech Dsgn)</i>
		Nurse Aide Advanced	Intro to Engineering Design
		Nurse Aide Basic	Intro to Fashion & Garment Construction (Year-long)
		Pilot Ground School (Year 2)	Intro to Robotics & Electronics <i>(formerly Intro to Robotics)</i>
		Pilot Ground School (Year 3)	Investment & Real Estate
		Plumbing & Mechanical Systems (Year 1)	JROTC Marines
		Principles of Engineering	Marine Biology
		Small Business Start Up	Methods of Physical Education
		Social Media Marketing	Nurse Aide Advanced
		Sports Medicine: Medical Terminology	Nurse Aide Basic
		Sports Medicine: Sports Physiology	Pilot Ground School (Year 2)

		Sports Officiating Fall	Plumbing & Mechanical Systems (Year 1)
		Sports Officiating Spring	Principles of Engineering
		Welding (Year 1)	Small Business Start Up
			Social Media Marketing
			Sports Medicine: Medical Terminology
			Sports Medicine: Sports Physiology
			Sports Officiating Fall
			Sports Officiating Spring
			Welding (Year 1)
			Welding (Year 2)

Link to Request a New Central Campus Course

Click [here](#) or scan the QR code below to enter a request for the first year of a course at Central Campus in the 23-24 school year.

If you would like to request to continue in the second or third year of a program/course, please speak with your school counselor.

Central Campus Program Tours

Click [here](#) or scan the QR code below to watch a video about each of the programs available to students at Central Campus.

Key and Course Catalog page numbers

Architecture, Construction, & Design Engineering pg. 44
Arts, Communications, Information Solutions/Multi Media pg. 47
Business/Technology pg. 48
Construction Skilled Trades pg. 53
Education and Leadership pg. 56
Environmental & Agri-Science pg. 57
Family and Consumer Sciences/Human Services pg. 58
Health Sciences pg. 36, 61
Transportation Academy pg. 61
Aviation Technology Academy pg. 62

23-24 Central Campus Academy Requestable Courses

Social Studies	World Language	Other Subject Areas
Intersectional Feminism	Arabic	AP Computer Science A
AP World History	Chinese	Throwing
AP Comparative Government	French	AP Research
AP Macro Economics	German	AP Seminar
College Middle East & Islam	Italian	Contemporary Movement
College Latin American History	Japanese	AP Chemistry
AP European History	Medical Interpretation Spanish	AP Physics
College African American Studies	College Spanish V	Additional core courses available based on student need for accelerated instruction
	Advanced Spanish Grammar and Voces Latinas	

To Request a Central Campus Course

If you would like to request a Central Academy course and are not currently a Central Academy student, please speak with your Virtual Campus school counselor.

If you already attend Central Academy this year, please talk to your Central Academy school counselor to request your courses for next year.
