Industrial Technology (pages 44-64)

We do not currently offer IT courses at VC. If you are interested in taking IT classes, please talk with your counselor during your MYAP meeting about courses available at Central Campus.

Central Campus/Central Academy courses

Additional courses are available at Central Campus and Central Academy. These courses are held IN PERSON. You can review these courses on pages 44-64 of the Course Handbook. If you are interested in these courses, please take note of which courses you want to apply for below. You will complete your application for Central Campus/Central Academy with your school counselor during your MYAP meeting.
