

Explore EMC

Want to know what it's like to work for one of the largest businesses in downtown Des Moines? Explore EMC Insurance Companies (EMC) by attending a presentation headed by company leaders. You'll learn more about EMC and have the chance to ask people who work in the industry what you can do to help define your career path.

The insurance industry touches many fields including communications, technology, customer service, analytics and more. At EMC, you can:

- ▶ Learn a variety of professional skills
- ▶ Make a difference in your community
- ▶ Enjoy benefits, such as tuition reimbursement
- ▶ Begin your career

Register for a Presentation

Use the QR code to request to sign up for a presentation that interests you. They will be held over lunch and during school hours.

4 Reasons to Start Your Career Exploration Early

1. Develop your interests
2. Create connections
3. Identify possible career paths
4. Get hands-on experience

Stay tuned for potential future opportunities to job shadow EMC team members and observe careers that interest you most!
