

VC CLUBS!

Anime Club

If you're interested in Anime, Manga or Cosplay - Anime Club is for you. We meet Thursdays from 3:30 - 4:30 PM on Microsoft Teams. We will discuss suggested anime to watch, manga to read, and those who are into cosplay can share their design ideas. We encourage you to bring your show suggestions, art examples and ideas, and anything else you see fit that falls under the broad umbrella of the Anime world. There is the possibility of in-person events/viewings, but those will be scheduled in advance, posted on Teams, and coordinated through the Virtual Campus staff to use space inside of the Central Campus buildings. If you have questions, please contact me at ian.hubrig@dmschools.org or find me on Microsoft Teams by searching Ian Hubrig. Thank you!

Art Club

Art Club gives students an experience with art and artists by viewing and chatting about art and creating artwork. This year we plan on participating in art challenges like Inktober, sharing current events, touring the Papa John Sculpture Park, creating stickers/buttons, and painting another mural for the district Art Show! We'll meet every other Wednesday from 4:15-5 pm. Please message Patricia Christiansen in Teams if you would like to join the club and she will fill you in on format and meeting times, etc.

Crochet Club

Join crochet club if you are an experienced crocheter, or someone who periodically dabbles in the hobby. This club will not teach people to crochet, but instead will be a space for those of us who already practice the art; a place to share current projects on camera, and to discuss technique. Tips and tricks will be shared between members. In this space we will support each other and declare ourselves "Crochet Bosses!" Meets first and third Tuesdays from 3:30- 4:00 PM. Contact Pam Devore at pam.devore@dmschools.org to sign up.

Chess Club Coming in February

Chess Club meets online every Monday from 3:30-4:00 PM. Come learn how to play some chess and enjoy the chat. Please contact Cale Roe (cale.roe@dmschools.org) to be added to the Team! You can create a free account at: www.chess.com
